## Education & Important Information

Residents will be getting Covid vaccines and influenza vaccines on October 8th and 9th.

Henley Place is excited for our new partnership with DementiAbility. This project is expected to be implemented over the next few years. It aims to improve the quality of life for our residents while bringing purpose and meaning to their day-to-day lives.

## Meet One Of Our Amazing Team Members, Vimla Hare!

Hello everyone!

I moved from Cleveland, Ohio about 9 years ago. While in Cleveland I worked for the Cleveland Clinic for 17 years. I have 10 years of experience in Business Management and have been working with Henley Place for about two and a half years now. Even though working in a hospital can be challenging and exciting, my passion is working in Long Term Care. I love getting to know our amazing residents and families.

**What you do is  
heart work.**   
**Thank you for all you do!**
