

# Henley Place Herald

January 2025

## **A Message from Your Leadership Team:**

Happy New Year Henley Place Families!! We are excited to ring in the new year with lots of fun and exciting projects happening this year.

As we reflect on 2024, there were a lot of positive changes that happened at Henley Place this year. We got new managers, new equipment, new furniture and there is so much more to come in 2025.

I want to thank all our families for their love and support of our staff and new management team. 2025 is going to be a good year and I hope we can continue to work together to deliver the best care to our residents.

## Celebrating Programs Last Month!

Family council is currently seeking new members. If you are interested in joining our council please reach out to Ashley Henry – Resident Care Coordinator.

Next Meeting: TBA

## Education & Important Information:

With the weather changing, please remember to rotate out your loved one's clothing.

## Meet One of Our Amazing Team Members, Rikk Morales!

Working as a Nutrition Manager at Henley Place has been an incredibly rewarding experience and a meaningful introduction to this role. My time here has been both enjoyable and fulfilling, as I am deeply committed to improving the wellbeing of our residents through thoughtful nutrition plans. My responsibilities include assessing nutritional needs, collaborating with healthcare professionals, and ensuring that each meal supports the health and quality of life of our residents. Seeing their health improve motivates me to continually enhance the quality of our food service.

Outside of my professional life, I am a dedicated recreational triathlete. My passion for health and fitness extends beyond the workplace, driving me to stay current with the latest developments in dietary science. The discipline and focus I apply in my athletic pursuits carry over into my professional work, where I strive to provide the best possible care for our residents. This holistic approach to health and nutrition not only benefits those I serve but also reinforces my belief in the transformative power of a balanced diet and an active lifestyle.

What you do is  
heart work.

**Thank you for all you do!**

## **Other News & Updates**

Our executive Director Rae Ajayi will be on a medical leave starting January 4th into mid-February. We are all wishing Rae the best until her return! Prasanna Patkunarajah, Environmental and Capital Project Consultant, will be the Interim Executive Director during this period. He can be reached at Rae's current extension.

## **Upcoming Family Forum:**

We have launched a new program called Family Portal. This portal will allow families to have a better look into their resident's day-to-day activities and will work to enhance communication with families. If you would like more information or would like to sign up, please reach out to Walid in Life Enrichment at ext. 5311.
